Second 2 None Basketball, Inc. Participation Agreement

1. Second 2 None Basketball, Inc. ("S2N" or the "Program"), is an organization that provides an elite youth basketball program for boys of all skill levels, who are in 5th through 12th grade. Our philosophy is predicated on building a love for the game and the foundational fundamentals that will allow each player to maximize their potential and experiences. We believe that having fun and working hard are synonymous and vital for young athletes to learn. We will be teaching just as much about character, mental resiliency/attitude and teamwork as we will about basketball and we are committed to creating a positive team culture, in which coaches, parents, fans, officials, and players work together to achieve this mission.
